It won't be long before the high bidder has investors screaming for returns and it runs out of capital. Service will decline and user costs will increase to make up the difference, ultimately everything will fail.

THIS. And the movie said "Greed works"; but for whom?

As far as Darth Corbett is concerned, consider the heavy-handed budget cuts to education, the arts and social programs compared to the \$20 million grant he signed to renovate PNC field (Lackawanna Co.). The management (NY Yankees + Mandalay Sports Properties) can't get a decent crowd there now (A-Rod's rehab excluded), but throwing school money at it will solve that problem.

And Corbett's as A**.
