IIRC Fly Fisher's Paradise in State College carries these boxes...I think they have the Joe Humphreys models. I looked at one through the glass case until I saw the price tag. I still want one though.

I have one of each. My Richardson is the 4 tray deluxe I bought from FFP. I LOVE it. The Downs I bought a 5 tray from E Hille's. I LOVE it too. They are both nice. The last time I was at FFP I didn't see any Richardsons in Steve's display case. I asked him about it and he told me that the company was dissolved and the partnership was defunct. That unless they resolved the differences the company was done. I replied in jest "Well there goes my lifetime warranty" I hope those fellas work it out. It would be a shame to lose such a quality product.
