Replied, Jack. I probably should have clarified that "in that area" means "in the same county". Its about 35 miles from Cross Fork. I never notice the drive 'cause when I'm up there, what's a 35 mile drive!? I'm more than willing to help make this happen though, and am willing to reserve the camp!

The other option would be to camp at some place like Ole Bull State Park. Its a REALLY nice park w/ great facilities right along the Kettle Creek. 8 miles from Cross Fork. VERY affordable too, if memory serves me correct.
