In all honesty - while i'm disappointed it is the same weekend, i might (MIGHT) be tempted if i had a 9 weight.

Anyone have one to lend for the event? Decisions decisions...

I have one you could use but I only have a floating line but I think my 8wt full sink would be perfect

here are some flies http://www.jackgartside.com/flies_salt_list.php

<http://www.aswf.info/multimedia/flytying.html>

Decievers half & halves and clousers are a must
