I am only coming if the doughnuts are coming. I still have not had one of the damn things and they were on some damn rick seback show the other night. I almost drove out there after watching that.

I agree completely. Those donuts kick butt! Even two day old ones taste like they were made that morning.

Sure wish they'd ship the damn things.

Something else ya gotta try while you're up there is the pies at the Girard Dinor (yes, I spelled that correctly). Awesome.

Was it you or Mello that had two pieces after the large lunch? I know I wanted to, but could not bring myself to do it.

This year we eat there twice.
