I never stay the night I'm to cheap but if someone gets a good deal I have no problem sleeping on there floor 

Gfen I will try to be there two hours before first light I pack water and a bunch of Irish hoagies and fish till I can't fish no more . One of the days i'm going to do some night fishing It's something I haven't done yet and am looking forward to .

Skybay you already did the steel jam time for something different IMHO
