Something under 8', no? 7' 3wt? Saw there was a BX or something ike that, something in their "performance" section.

I'd be curious to heft the TMF to see what all the talk is about. When he dies, I'm putting myself in line for that one.

Pretty sure u would love it. Great touch, medium-fast, etc. Just an awesome dry fly rod. WT is special order now which is bs.
