You can read chapters of the latest **Gierach's No Shortage of Good Days** in any order and always find something fresh or more reflective regardless your dissect memory

(associate with coho hookups and blackouts).

Start the reading *Atlantic Salmon* – chapter, @103 page and feel better about your recent trips to DSL pools on Salmon River.

**hlight0 ;**

You are not the only one fishing for **Signs of Life**

I may lend you a copy but this can cost you *to burn* some sweetest spots...
