If he doesn't have them, you should be able to get them made for you at an Amish harness shop. These are often combined with a shoe store. There is one near Loganton, Clinton County, which is not far off I80. If you've ever fished Fishing Creek in the Narrows, Loganton is further up the same valley (Sugar Valley).

That Amish store is "Kaufmans Shoe". Come up Rt 880 North from "The Narrows". It's about 8 miles to Loganton. Take a left at the stopsign in Loganton (Across from the FNB Bank) it's about 1/4 mile on the left. The store is well marked.
