York County Watershed Weekend Sept. 23-23, 2006

Author: : Maurice

Date: : 2006/9/20 9:38:04

URL:

As part of the [Watershed Alliance of York's](#) 4th Annual Watershed Weekend, Muddy Creek Trout Unlimited will be performing a riparian buffer planting along 400 ft of a tributary to Toms Run. This tributary is near the Chapters Co-op Nursery. We plan to plant 120 trees and shrubs and install tree shelters during the day. You can attend for whatever time allowance you have available on Sunday. Even an hour or two will be helpful.

Location: Meet at the MCTU Co-op Nursery [Directions](#)

Date: September 24

Time: 9:00am until 3:00pm.

What to bring: Gloves, boots, planting tools.

Who can attend: Open to all ages.

We hope to see you there.

Maurice Chioda
Environmental Chairman
Riparian Buffers

Dallastown, PA 17313

In addition to the MCTU venue, there are over a dozen others scattered all over the York County Area. Check out the [Brochure](#) and visit a venue near you. Learn about our watershed. Take the kids, it's fun, especially for them. They love to muck around on a creek bottom.
