Fred,

Wicked good report, I cant get down to the jetties till i return from Deer Camp,wanted to get to do this now i am bummed, i like that Colton/stripper basket,mines mesh always wanted one of those orvis ones.

Maybe if its mild in December get a few guys an do it again?

Saltwater fishing really tightens up your casting,and also really hurts my Trout fising...kinda hard to get ezcited when ya dont get that pull or tug the way big fish do.
