Dear Board,

I'm looking for a pair of felt soled bootfoot hip boots. I'd like to find a pair of the Hodgman Wadewell tan colored 3 ply canvas and rubber boots but I went to 4 or 5 places here in Harrisburg and nobody has any and most don't stock them. I can order a pair over the internet but I'd really like to try a pair on first and I'll pay more money for them if I can buy them locally after trying them on.

Do any of you folks in Central PA know of a local store that stocks them? I don't care if it's a shoe store or a hardware store, I just want to make sure I get a pair that fits. Any suggestions will be appreciated.

Regards,

Tim Murphy 😊
