"BTW...

I was always told that the best time of a boat owners life is when he buys a boat an when he sells the boat  
.....lmao"

Might be the case for some guys but I've never second guessed myself for the \$5200 I paid for the boat and freight. I've probably used it at least 100 times since 1999 and have enjoyed every minute of it and look forward to another 100 floats.

I take good care of my boat and power wash it after every few floats. I've had guys offer to give me almost as much as I paid for it twelve years ago.
