I'm uber familiar with the 'Sock since it's in my "backyard" of fishing locales. However, in Dr. Loses' book he references a lot of "holes" by olde-timey as heyull names... I wish I knew which holes he was talking about... since the hole-naming has changed over the last 100 years. I know of the Whistle-Pig Pool, Million-Dollar Hole, Susquehanna Salmon Pool (named for the walleye caught out of there in 1984), "The Swimming Pool" at the park (sometimes the No Fishing signs get knocked down), Kayak Hole, The Junction Hole (lil 'sock and big 'sock), The Bridge Pool at Forksville... any of you guys got any names for these places?
