I'll never fish it again. First time I walked the trail at the Conservancy with the pup, an old timer was jabbing a torpedo with his wading stick. F that! Good stream work on the lower waters. Too much live stock; "I've sheep, I've got mules, I've got horses, I've got goats, I've got geese, I've got cows.....I've got alllllllll live stock!"

Pissy creek with incredible stream work....

F stockies, hit the upper section. I counted 30 redds on the 23rd.
