What is considered the "upper stretch"? On 772 around LEFC there's that little park on the right that has a sign w/ trout species and stuff on it. Anyone fish in that area?

This is the Riparian Park and there are fish in there as well. That stretch is where the fishing derby is held in the spring and it can be quite the madhouse. I consider the "upper stretch" from 772 up to the Riparian Park. This stretch is off-limits as they are trying to get natural reproduction to occur in this stretch. You'll see signs not far downstream in the Riparian Park where you can't fish anymore. As far as upstream of the park, you can go up about as far as Lititz Run Road. North of there it gets in the Lititz Sportsmens Association property where they have a nursery, etc.

Sal is your guy for all the nitty gritty details of LR though.
