Just mailed my Pheasant Tail soft hackles today. Forgot to include the recipe though. Oops! Here it is:

Hook - Dai-Riki #060 size 14 nymph 1x strong 1x long

Tail - Pheasant Tail fibers

Body - Pheasant Tail fibers

Rib - Copper Ultra Wire

Thorax - Peacock herl

Hackle - Pheasant wing guard feather

I used the wing guard feather from a full pheasant body I dried for the hackle. I think it turned out pretty good. I included a pic of the feather I used incase I called the wrong thing.
