If you guys are looking for foam, look no further than this:

[http://www.feather-craft.com/wecs.php ... tion=display&target=HG089](http://www.feather-craft.com/wecs.php...tion=display&target=HG089)

Already has slots and adhesive on the back. It is fantastic for holding big streamers. They also make a "bugger beast" type box that is a little less expensive:
