Skyblue, I hope this won't discourage you from sharing what you wish with the readers here.

My disgust with this issue has actually caused me to post less Stream Reports over the years, and it is a shame, because I actually share helpful information and sometimes entertaining photos. 🤔

I wish I hadn't been effected by this, but I have, and that's the way it is. BMarx wins because no one wants to take the time to excorcize his mythology.
