Wayne0k,

As Fred noted, white is a very good color for Delaware Smallies. I use white clousers up to size 1/0. White double bunnies have been productive for me as well. Yellow woolly buggers and Shenks sculpin in white and yellow are good choices.

As far as topwater, a white Gartside Gurgler or floating minnow are excellent choices. Sliders work better than poppers for me, but poppers do work sometimes.

I see you are from Bucks County, I am just above Bucks in Northampton County. I get out as much as I can in the summer and fall. If you want to join me in wetting a line sometime, just let me know.

Bill
