Hey Bill,
thanks for the tips!

I'll definitely be in touch when the water warms up a bit. I've done a bit of fishing up your way... often between Frenchtown and Milford. It is a nice area to drop off the wife for shopping while I get my feet wet.

Since I'm new here at PaFlyFish.com, I admit that I might be overlooking the means to contact individuals (such as yourself), so if you don't hear from me, feel free to track me down through my website listed with my profile.

Cheers!
