Fox - If it does change, it might be the 17th. Have to wait to see what the folks at the site I'm trying to book have to say.

It's not easy to find a place that can house 50+ people in a classroom setting, with regs waters close by. Don't really want to go earlier than the 17th for temperature reasons, and the 31st is opening day. Kinda between a rock and a hard place, as I see it.

I'll post the official date when I know more.
