Actually, it's because trout aren't intelligent - they're downright dumb. Smallmouth bass are much more intelligent. (Another great post BTW)

You sir are jumping the gun. 😊 I didn't get to Vol3 the final in this small series for awhile.

Smallmouth bass are just more fun in general. WWF is when I really feel like a kid again and I'm just fishing.....to fish 😊

Your probably right and I will check on that. See that is what makes our sport so great. I'm not doing these to enlighten or teach. These are really for entertainment purposes. As much as I've learned fishing these creeks, I'm still a beginner too.
