I could do the entomology or gear classes in the morning if some one else isn't already booked(?). Let me know if you need me.

This would be great! JayL did the entemology section last year, and since I doubt he'll make it, it's yours.

This goes for all the instructors - cover whatever you feel is necessary, take all the time you want, and let me know if you need anything to make your presentation(s).

Dave, I hope you can stay long enough to let me buy you lunch. Thanks for volunteering!
