URL:

Shop Talk is a forum where sponsoring professionals can share promotions, programs, special offers, raffles and other announcements. The forum offers an opportunity for anglers to learn more about your services, products and promotions you may be offering to inform potential customers.

The forum is a great way for you to create brand awareness. Sponsors must pay in advance for one year to participate in the forum and are limited to one post a week and unlimited response to threads you start.

Threads may contain links, photos and information back to websites or other social media outlets you want to share.

This is the only part of the site and forums that sponsors, professionals and businesses can provide announcements and links back to their services, products or stores.

All the guidelines still apply except for the limitations of advertising. Please send us an email if you are interested. info@paflyfish.com
