Sent out PM's tonight with some basic reminders and my address. If you didn't receive one, please let me know.

With the new postage rates, I highly recommend that you stop and get an Altoids tin for this and future swaps. With the possible exception of the streamer/anchor fly type swaps, the flat rate of \$1.95 will cover the cost shipping. IMHO, \$3.90 isn't too bad of a price for a dozen plus flies, and with Altoids, your breathe will be rather nice also!!
