URL:

Enough already! We are all getting a headache from reading dozens and dozens of spot burning admonitions in the stream reports and stream locations threads.

We are not Marxists on here - we all believe in free speech.....but a stream report is.....a stream report, and bitchin about spot burning.... is bitchin about spot burning.

DO NOT POST SPOTBURNING TOPICS OR ANY OTHER TOPICS IN STREAM REPORTS OR STREAM LOCATIONS TO DERAIL THE THREAD. THIS HOLDS TRUE FOR ALL THREADS IN ALL FORUMS.

BE COURTEOUS, START A NEW THREAD IF YOU WISH TO COMMENT ON A SUBJECT DIFFERENT FROM THE ORIGINAL POST.

POSTS TAKING ANY THREADS OFF-TOPIC WILL BE DELETED.

POSTERS ATTACKING OTHER POSTERS WILL BE WARNED AND MAY BE BANNED.

I have started this thread so we can all know what the topic is, and we can choose to read or not read it.

All opinions about spotburning all welcome in this thread.
