Hey, Can anyone give me the latitude and longitude of their favorite spot on the Little Lehigh, Saucon and Bushkill? Description of rock, tree and trail would be great!

 Sorry, couldn't resist!

Seriously, as the nice weather approaches, I hope all on the site have a great year! If we are all healthy enough to get into a stream and wet our lines, we are blessed! I can think of so many I wish I could still do that with, but cannot. That's much more important!
