Hey Guys and Gals. The Ne Regional qualifier is a great event that is one of many held in the US. There is a great group of anglers there and its allot of fun. Helping out as a controller is a great way to learn new techniques and meet new people. Its very easy do. There is actually a controller training video on the America Cup Fly fishing web site. If anyone has any questions please feel free to pm me and if your interested in coming out as a controller I can put you in touch with the person running the event. The venues will be Penns at Coburn, Big fishing creek at the narrows and Spring creek at Benner.

Thanks Sean crocker
