Hi, jayL --

Thanks for your interest! The book can be found in Philadelphia at Penn Book Center (34th & Sansom), Thomas Jefferson University Book Store (10th & Chestnut), and at a chain bookstore in The Gallery on Market Street. Barnes & Noble on Ritt. Sqr. used to carry the title, but it sold out, and they never reordered, even though there is still a warehouse full at Frank Amato Publications!

Such is the modest writing life of the "genre author" . . .

Regards,
