I anxious to hear how this works out. I haven't tied anything smaller than 22. Even tying them that small I've bent the hook in half just putting thread on it.

I should never have got you all worked up about an up coming trip. You, my friend, need help! Size thirties...no wonder you can't see to thread them. You are blind from tying them lol.

Hey Dryfly has me all hyped up to tie 32's!
