This forum thread discusses a Berkley Parametric Rod:

[http://p097.ezboard.com/ffiberglassfl ... Message?topicID=190.topic](http://p097.ezboard.com/ffiberglassfl... Message?topicID=190.topic)

If you scroll down to a long post by "Alistair59", he talks about the pd-40 8 ft. as being a 6/7 weight rod. Maybe this reference will help.
