Just got a free issue of Eastern FF in the mail today, and F/Idiot is correct. Without going into one of my anti-k/t diatribes, I must tell you I hate what I saw. As F/I said, it will not just turn my hair grayer; it will make what's left fall out. Plus, it is edited by a guy from the state of Washington who probably doesn't really doesn't know or care much about things in the East.
