Brad, How was dinner at the log cabin? We have not eaten there yet since we moved here. I have heard from ppl that the steaks there are great. We usually go to the steak house in town when we go for steak and they would be hard to beat.

I think it's the best place around. I don't think any other restaurant is better in the area. The Steakhouse is very good. But the salad bar & homemade soup at the cabin puts it up a notch! I think the steaks are slightly better at the cabin also.

The Antlers had maybe 3 cars as we passed. The cabin was packed!
