WTT - Loop Epic 9' 3 weight

I'm looking to trade my 9' 3 weight Loop Epic (I'm told this is the same rod as the Evotec but with a black reel seat) for a 3 or 4 weight 8' rod.

It's a great rod, but I have a glut of 9 footers, so I'm hoping to trade it for a rod of equal value that's in the 8 foot range.

Thanks,
Rob
