THIS IS A 5 YEAR OLD THREAD. THE OP DOESN'T NEED HELP ANYMORE!

(I was confused at first too)

I said to myself, "this is a joke, Fred is a fine fly fisherman and is just jabbing us from the constant monotony of the same questions every year from this site". Then I found the dates of the post.

I looked back at my first few posts from the site a few months ago and it was laughable as to what I know now. This site is awesome and I've learned a ton from it since I don't have a mentor. Met some great friends and have now been the mentor to many people.

PAFF is AWESOME!
