Large Sulphur - Ephemerella Invaria

Author: : dkile

Date: : 2012/4/16 11:36:32

URL:

Here is one of my bugs from the Little J on Sunday.

Will edit the post after we discuss.

Tails: 3

Hind wing: present

Costal projection on hind wing: yes

Fore wings: plain

Viens do not diverge at base of fore wing

Body 10-11 mm

Hatching from 1:00 pm - 8:00 pm

First photo on the stream Sunday , second from the kitchen studio this morning

Place your bets and why?

Locations found: Central Pennsylvania
