Here's a recent how-to from bohen...

[Fur and Feather Matinee - Brad Bohlen](#) from [southern culture on the fly](#) on [Vimeo](#).

I've tied a few of these already, but it's cool to see how different the fly can turn out just by varying the material placement, etc. Pretty cool how much a "minor" change can add to the profile/action of one of these things.

Rainy day tying session underway...
