3rd big hole. it is an easy trip if you have a 4X4. Very vertical if you are walking the whole trip.

- (1) Go to upper property across bridge
- (2) Go left on road to cabin #18, follow the road to cabin #18
- (3) Keep going on the road past #18 the road dead ends at our upstream stocking location
- (4) From the upstream stocking area, u must walk. It is flat ground along a river, that you can fish the whole way. Follow stream upstream for about 1/2 to 3/4 mile.

Walking is flat and should be easy from stocking location up to 3rd big hole.

Road from #18 to stocking location.

This road is very vertical. We plan to put more cabins and a lodge on the upper ridge overlooking upstream property. U can use your 4X4 truck to get to upper stocking location. At your own risk, we stock this and many customer's use this access.

Glad U enjoyed the trip. Todd Harman
