Now to clean my truck, with is actually my wife's daily driver since her commute is shorter than mine. She is not thrilled with its current state of affairs.

Haha! In the same boat and about to do the same. Had a great time at the jam and I think most of my stories should remain private to avoid incrimination. 😊 My quote of the weekend, however, involved one well know member shaking hands with Tony, at which point the guys in his car said "You touched him last, now you have to keep him." Good times!
