Here is a photo of Fishidiot's painting (for those of you who did not get to see it). That's the best I could do with my cell phone. It is happily in it's permanent place on my office. It was just awesome to watch over his shoulder while he painted this thing.

Patrick,

I'm beyond delighted to see how this turned out - thanks so much for the support and enjoy your new office decoration - should remind you of good times and good folks.

All,

Honestly, I'm humbled and amazed at the tremendous enthusiasm you guys have shown for my artwork during this - and previous - Paff jams. To see so many fans and hear so many compliments, encouragement and kind words....is really just amazing.

I'd better not let it go to my head. 😊

Thanks again.
