Had a great time at the Jam. Lots of funny stories were shared, but a couple stick in my mind:

Fishidiot's new technique of doing a "chest bump" instead of just landing a fish, and the turtle stories. Flipnfly even caught a turtle on a midge - I'd have never believed it, but he has the picture to back it up.

Funniest saying was about Spring Creek. While most of the famous limestoners in the area weren't in good shape to fish, someone made the comment that "Spring Creek is like the fat chick in the bar at 2AM - not your first choice at happy hour, but she always puts out." 😄
