Yeah sorry the conversation wasn't long, Ryan. Next year I will be a much stronger presence. Arriving Saturday afternoon cut into our socializing time big time.

I am surprised how many people recognized me and introduced themselves. Guess I should go back to the old avatar so that by next year, everyone will recognize the Squatch!

I really enjoyed the pickin' and singin'. What's the screen name of the third dude, his real name was Brian? Had a good time jamming w/ Shakey and Brian. Funniest part was Shakey's advice, "Sasquatch...if you forget the words, just give Brian a guitar solo." Nice.

In true form, Shakey also tries to give everyone a solo. Hilarity ensued when I tried to rip a blues solo on a banjo. Hilarity ensues any time I try to "rip a solo" in general...
