Glad to meet everyone!

had a great time thursday morning on the little J with PatC. sorry we didn't catch any dude, they're in there, you'll just have to trust me.

headed over to the camp around 12 and was on the road headed for slate run by 2. had a ball up there chasing the big german browns cruising around that area. Pat made me lose a fish...then he tried to send a huge buck through the windshield of his truck to kill me! made it back in time to join the festivities and watch Gary burn up some baked geebus'.

saturday was good, spring creek was generous. the chili was great and so were the conversations. glad to meet all of you.

Dan I hope travis called you because sunday looked like it turned out to be great.

see you at the steelie jam!
