I enjoyed coming to the Jam this year. I got to catch up with old friends, and make some new ones, as well as fish some new Class A gems...and catch fish! Stand-out memories for me were the Red Crock Chili, meeting Sal, and the dubbing of Sir CSoult 🏆 .

The folks who live in the State College area are truly blessed to have such good fishing close-by, in streams both large and small. I hope to make it again and see you all at the 2013 Jam!
