anyone know this mayfly?

Author: : turkey

Date: : 2012/5/27 11:08:00

URL:

I saw these mayflies right around dark on 5/26 on the Allegheny near Pittsburgh. It looks like a hex but a little smaller. I initially thought it was a yellow drake but they only had 2 tails. Hex's aren't suppose to emerge for several months...any thoughts?
