Ok. So the wife informed me to look at the tag on the inside because she got pissed I put these up for sale for \$110.

They are actually Pro Guide2 waders and she got them for \$189.99

She also let me know that they are the long version.

SO THESE ARE ORVIS PRO GUIDE 2 WADERS SIZE XL LONG. 12-13. WORN ONCE. I AM GOING TO GET THE XL REGULAR OR LARGE. I SEE THEY ARE ON SALE AT ORVIS SO MAKE ME AN OFFER. \$160 FOR A BRAND NEW PAIR SOUNDS FAIR. LET ME KNOW OR THEY ARE OFF TO EBAY.

THANKS
