So whats the float...from where to where? And are there campgrounds around? perhaps at the take out?

Don't hit me with them negative waves so early in the morning...

The plan is to meet up at the Park & Ride just off the highway and drive down together to the River. We will be fishing/floating the Harding / Falls section of the Susky. Floaters will put in at the Falls launch and take out at the Apple Tree Road launch. The float is about 6-7 miles. Waders can park and fish at both places.

This is a day trip, but those wishing to stay overnight can camp here:

I've never camped there, but it's located right along the River, very close to the take-out.
