I had to give you the idea!

I have a 33 day, 5 page thread going to try and get some of us together in Bucks and no one has been able to coordinate their schedules to work. You're the Obi Wan Kenobi of getting us newbies together!

Let me check with the wife and see if I can work with those days. If we do the grilling thing .. I'm all for it for lunch. If I can I will probably have to split right after that as the wife doesn't want me gone all day. I'm trying to explain to her that a fishing bum is better than a bar bum but she ain't havin it. 😊
