i have way more reels than rods.but i'm the kind of guy that likes click and pawl reels .even tuna cans.

i often use a reel based on the sound of the drag.

one of my favorite reels is an (eagle claw)granger medallion.i usually get them under thirty bucks.i have the whole line.

if you know me from other boards,i use a pic of two of those reels as my avatar.haven't figured out how to do that here,haha
